

Mental Health Support Workers Required

Shropshire Mind has an exciting opportunity for additional highly experienced individuals to support the Shropshire Sanctuary out of hours service. Based in our Shrewsbury headquarters in Observer House, the Shropshire Sanctuary offers the chance to become part of a small supportive team who strive to consistently deliver the highest standard of person centred support and services.

Duties will include: Providing a safe, calm, welcoming and reassuring environment that is responsive to support individuals to relieve mental distress, anxiety and associated issues. Enabling constructive outcomes for those seeking support is key to the success of the Shropshire Sanctuary. In conjunction with the Police and other mental health providers, we are excited for this new venture to be a huge success in the provision of out of hours support offered to the people of Shropshire

Shropshire Mind was established 43 years ago and provides a diverse range of quality services across the County for the one in four of us acknowledged to be affected by mental or emotional distress.

If you have experience of working and supporting people within the mental health sector, if you have an insight into service provision and are passionate and dedicated to supporting people with a truly person centred approach, then we would like to hear from you.

An interest in counselling, a counselling qualification or working towards a qualification will be required.

Current opportunities for various evening and night hours.

Training and ongoing support is essential and will be provided

Rate of pay: £8.80 - £10.00 per hour

For further information and an application form please call Heather on:
