

Mental Health Support Workers Required

Shropshire Mind has some exciting opportunities for relief and permanent highly experienced individuals to join our existing team within our Shropshire Sanctuary out of hours service.

If you have experience of working and supporting people within the mental health sector, if you have an insight into service provision and are passionate and dedicated to supporting people with a truly person-centred approach, then we would like to hear from you.

An interest in counselling, a counselling qualification or working towards a qualification will be highly desirable. Above all, successful applications will be determined by candidates who possess and demonstrate the right personal and professional attributes and qualities to deliver an excellent service for Sanctuary users.

We are looking to recruit people to work late shifts and night shifts part time, to join our existing team that provide cover 7 nights per week.

We are also seeking volunteers to work alongside support workers within the Shropshire Sanctuary.

Training and ongoing support is essential and will be provided

Rate of pay: £8.80 - £10.00 per hour

**Late Shifts are 5pm – 11pm Mon to Fri &
3pm – 11pm Saturday & Sunday**

**Night shifts are 10.45pm – 9am Sun – Thurs &
